

Makena Surf Nuisance Inspection Request

Makena Surf is a community that typically brings much joy to owners and guests. Occasionally, complaints about noise, odors, visual offenses or safety arise that must be investigated. While a certain amount of annoyance, inconvenience and interference is inherent with community living, nuisances that interfere with the reasonable use of one's resident or exclusive use common area should be reported to the general manager for investigation. If you have such a complaint, please complete the form below and return it to the general manager.

Please circle the type of inspection requested:
